

CAPS Men's Group

Men's issues can have a significant impact on the mental health and physical well-being of men. This process group provides men with an opportunity to discuss issues relevant to their lives (e.g. individual identity, family responsibilities, or cultural expectations).

Date: Fridays (starting Jan. 30, 2015)

Time: 1:30 - 3:00

**Location: Price Center East, 4th floor,
'Governance Chambers' room**

If you are interested or have questions, please contact Dr. Ripellino or Dr. Lim to set up a brief, pre-group screening interview.
